

# 6th INTERNATIONAL CONGRESS ON **AUTOIMMUNITY**

PORTO, PORTUGAL

SEPTEMBER 10-14, 2008

Prof. Trevor Marshall  
UNITED STATES  
E-mail: [trevor.m@autoimmunityresearch.org](mailto:trevor.m@autoimmunityresearch.org)

Dear Prof. Marshall,

On behalf of the Scientific Committee of the 6th International Congress on Autoimmunity, it is my pleasure to invite you to co-chair the following session:

Session: **PS9 - VITAMIN D RECEPTOR (VDR) AND VITAMIN D IN AUTOIMMUNE DISEASE**

Date: **September, 11th 2008**

Time: **16:30 - 18:30**

Room: **Hall A**

Please note that you are requested to be at the appropriate hall 5 minutes before the start of the session, to ascertain that the speakers are present and to introduce each speaker by name, country of origin and title of paper.

The Final Scientific Program can be viewed via the following link:

I thank you in advance for your assistance and I trust that you will enjoy the Congress.

As the program is very full, it would be most appreciated if you could make sure that all speakers adhere to the timing allocated to them for their talks.

If, however, you cannot accept this assignment, please inform us by return e-mail or fax immediately to: [autoimmunity@kenes.com](mailto:autoimmunity@kenes.com) or +41 22 732 2850.

I look forward to personally greeting you in Porto.

Yours sincerely,

Jo Jackson  
Assistant Project Manager
